Dear Mr. Lucas:

Pursuant to the Environmental Protection Agency's CERCLA Act, Ecology and Environment, Inc. (E & E) is planning on conducting a site investigation at the Columbia Falls Aluminum Company in Columbia Falls, Montana. The investigation will include the installation of three (3) monitoring wells and the collection of ground water, surface water, sediment and soil samples. Drilling is scheduled to commence on Monday, June 6, 1988. Sample collection will start on Friday, June 10, or Monday, June 13 through Friday, June 20, 1988.

If you wish to have split samples collected, Ecology and Environment, Inc. will be more than happy to accomodate; however, we ask that split sample containers be provided by your respective companies.

If you have any further questions or comments, please contact me any time at (303) 757-4984.

Sincerely,

Robert Henry
